Structophis Joseph R. Lallo 2017-07-12 Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle’s bistro to tend to the ‘special oven.’ When he arrived, he discovered it wasn’t the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she’d become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he’d dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best ‘mommy’ he can be to his brand-new pizza dragon.

Dooley Vince Dooley 2005-09 Vince Dooley--the player, the coach, the administrator, the legend--is finally ready to tell his story. Chasing Perfect Bob Hurley 2013-03-19 The inspiring story of the most famous high school basketball coach in America. In 40 seasons as the head coach of St. Anthony High School, a private parochial school in Jersey City, New Jersey, Bob Hurley has established a standard of excellence and achievement without peer, and remarkably, he has done this at a high school with a total student body enrollment of about 230, with no gymnasium, and with an operating deficit that threatens to shut the place down each year. Hurley himself sweeps the floor before each home game. Despite the long odds against them, Hurley's teams have captured 26 state titles and four consensus national championships, all behind an astonishing career winning percentage of .905. In Chasing Perfect, Hurley opens up his tool box and shares some of the championship strategies he's developed to help lift his players up and out of Jersey City. The narrative centerpiece will be each of St. Anthony's seven undefeated seasons, with sketch profiles of some of the most memorable players, making some of the most memorable plays in St. Anthony history. Along the way, he'll offer empowering insights to help coaches and players to elevate their games, while empowering the rest of us to walk a more purposeful path. Part memoir, part coach's notebook and part reflection on the St. Anthony players it has been Hurley's privilege to coach, Chasing Perfect will stand as a compelling barometer of life in and around the hardscrabble streets of Jersey City, set against the backdrop of one of the most enduringly competitive high school basketball programs in the country.

How to Make All-Stars Andy Collins 2014-03-19 Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice that this book will be written.

Oh Charlie Charles E. Coriell 2013-11 He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

Winter Interlude Sandy Loyd 2012-08-02 Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd – He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure – of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change.Show More Show Less

Call Me Coach George H. Baldwin 2003-05-01 A veteran football coach tells how he guided high school and college teams nationally and internationally to hundreds of victories through a philosophy based on his conviction that building strong individual character wins on the playing field and in life. George Baldwin who fulfilled his boyhood ambition to be called Coach many times over, believes that coaches should put an honest and enthusiastic emphasis on winning combining the ingredients of energy, enthusiasm, creativity, faith in one's self and self-sacrifice.

This Is Why We Can't Have Nice Things Maggie Leung 2015-04-09 As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The book ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.

Every Mile Matters Moon Joggers 2016-03-02 What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired. **West by West** Jonathan Coleman 2011-10-19 He is one of basketball's towering figures: "Mr. Clutch," who mesmerized his opponents and fans. The coach who began the Lakers' resurgence in the 1970s. The general manager who helped bring "Showtime" to Los Angeles, creating a championship-winning force that continues to this day. Now, for the first time, the legendary Jerry West tells his story-from his tough childhood in West Virginia, to his unbelievable college success at West Virginia University, his 40-year career with the Los Angeles Lakers, and his relationships with NBA legends like Bill Russell, Wilt Chamberlain, Kareem Abdul-Jabbar, Magic Johnson, Shaquille O'Neal, and Kobe Bryant. Unsparing in its self-assessment and honesty, West by West is far more than a sports memoir: it is a profound confession and a magnificent inspiration.

Make the Call Mark Richt 2021-08-31 There are moments in life when it comes down to your decision. Whatever you're facing, you know that no one else can bail you out. You have to make the call. Mark Richt, former head football coach at the University of Georgia and the University of Miami and long-time assistant coach at Florida State University, knows a thing or two about making the call. In this book, he shares some of those crucial moments—from his time as a player, through his years as an assistant coach and head coach—thirty-five years in all on some of the biggest stages of college football. You'll love being along for the ride with Mark as he shares his experiences both on and off the field, gives wisdom for life and leadership, and encourages you to make the most important call of all.

Coaching Physicians and Healthcare Professionals Veronique Haynal 2022-06-27 This important volume applies the practice of professional coaching to the hospital setting specifically, imparting the authors' rich experience of coaching healthcare providers to other coaches working within the field. The book details how coaches can tailor their skills to the complex world of the modern hospital where physicians, nurses, medico-technical staff, managers, and administrators must carefully coordinate their efforts to be successful in high-stakes situations. It moves through the various stages of coaching, starting from the initial contact with management to the different applications of individual and team coaching, addressing common client issues including failing leadership, crisis, conflict, violence, and burnout. Each chapter includes clinical vignettes and theoretical ideas supported by field-specific research and literature. The book's final reflection proposes changes to be considered to improve the functioning of hospital care teams, job satisfaction of healthcare professionals, and, ultimately, patient outcomes. Coaching Physcians and Healthcare Professionals is essential reading for professional coaches and mentors active in the hospital setting, as well as coaches in training, consultants, and all hospital professionals.

My Overdue Book Peter Bright 2015-04-30 My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes

me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as Peter has in this book. When I started to read it, I thought all of those common events that we shared would be an interesting parallel track to my life and as such I would have a great frame of reference, but as I read on, I realized just what an amazing story Peter has to tell and just how well he tells it. Mac's Boys Jason Hiner 2006 This is the story of the 1953 Hoosiers, NCAA champions, coached by Branch McCracken and boldly led by star players Bobby Leonard and Don Schlundt. This legendary Indiana University team from the pre-Bob Knight era has begun to fade from memory, but Mac's Boys brings it vividly back to life. One of the Hoosier state's most beloved basketball teams, the 1953 Hoosiers was also one of the best in the history of college hoops. It was a squad that had a great coach, a pair of star players, and teammates who accepted their roles and executed them flawlessly. With Leonard and Schlundt sharing the spotlight, there was the versatile forward Dick Farley (who would have been an All-American had he played on any other team), tenacious rebounder Charlie Kraak, and the hustling, ball-hawking guard Burke Scott. They were the heart of a team that put together one of the greatest hot streaks ever seen in Big Ten basketball, and then capped it off with a run through the NCAA tournament. Mac's Boys recreates the terrific story of Indiana's magical 1952-53 season. For Hoosier fans especially, it will become a treasured tale that illuminates one of the most glorious chapters of Indiana University basketball history.

The Facts of My Life Charlotte Rae 2015-11-01 "It's about time a book came out about one of the most talented and beloved performers in the American theater. Charlotte is the consummate actress, comedienne, entertainer. Her work on stage and screen is always hilarious and somehow also gets you right in the gut. Her story is every bit as brilliant. Read it and smile." -Comedy Legend, Carl Reiner "To think of Charlotte Rae is to smile. Consequently, when I began to read "The Facts of My Life," I was unprepared for the emotional impact it would have on me. By the time I finished the first chapter, dealing as it does with her severely troubled son Andy, I was in tears.

"As an old friend of Charlotte's, I thought I knew her fairly well. But as I read on, I discovered that the 'facts of her life' were constantly surprising (as well as amusing and engrossing)! There is so much that I don't know about Charlotte and so much that I now want to know, when the book is finally completed and published, I'll be first in line to get my copy!" -Sheldon Harnick (Composer, Fiddler on the Roof) Charlotte Rae's career spans more than seventy years, from the golden age of television to Shakespeare in the Park, the New York Cabaret scene of the late 1940's and 50's to her hit series, The Facts of Life and well beyond. Off stage and screen, Charlotte's life has been one of joy and challenge, raising an autistic son, coming to terms with alcoholism, the heartache of a broken marriage, the revelation of a gay husband and the sudden challenge of facing middle-age with financial and emotional uncertainties-an crisis she ultimately turned into the determination that brought her stardom. The Facts of My Life is the first opportunity for Charlotte fans to explore the fascinating story of her extraordinary life: poignant and hilarious, a story of courage and triumph, one that speaks for a generation of women breaking barriers, taking on challenges, overcoming personal tragedy, and paving the way for others.
