Learn Adobe Premiere Pro CC for Video Communication  
Joe Dockery 2016-01-08 This study guide uses text integrated with video to help you gain real-world skills that will get you started in your career in planning, shooting, and doing post-production on video projects and lays the foundation for taking the Premiere Pro ACA exam. A mix of project-based lessons, practical videos, and regular assessments throughout prepares you for an entry-level position in a competitive job market. Adobe conducted research to identify the foundational skills students need to effectively communicate using digital media tools.

Based on feedback from educators, design professionals, businesses, and educational institutions around the world, the objectives cover entry-level skill expectations for each topic. The ACA exams have proved to be highly successful; Adobe reports that the total number of exams taken worldwide has reached one million since 2008. To create this new product, Peachpit and Adobe Press have joined forces with team of outstanding instructors who have a great track record getting students certified: Rob Schwartz and his colleagues at BrainBuffet.com.

step through the entire editing process in Premiere Pro in which they'll learn how to perform professional editing tasks such as project management, multi-format editing, color correction, audio mixing, titling, effects, and delivering video to tape, the web, and mobile devices. Plus the whole process moves at an accelerated pace so readers can get back to editing even faster. The goal is within a weekend, they'll learn everything they need to know to use Premiere Pro confidently for their own projects and client work. Readers will be able to put their advanced editing skills to work immediately by using the accompanying hands-on lesson files to work through the steps in the book. They'll further improve their knowledge through engaging video tutorials, handy quick-reference guides, and keyboard shortcut sheets all made available on the book's DVD. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
