A Comparison of Two Outdoor Adventure Centres Pete McDonald 2014-05-30 In 1983 the author spent a year working as an exchange teacher at Rubicon School Camp, Victoria, Australia. This paper, written towards the end of that year, compared many aspects of Rubicon School Camp and White Hall Centre, Derbyshire, UK. The paper was digitised and heavily edited or rewritten in 2014.

Pathways Mercedes Lackey 2017-12-05 The eleventh anthology of short stories set in Mercedes Lackey's beloved Valdemar universe features stories by debut and established authors and a brand-new

story from Lackey herself The Heralds of Valdemar are the kingdom's ancient order of protectors. They are drawn from all across the land, from all walks of life, and at all ages—and all are Gifted with abilities beyond those of normal men and women. They are Mindspeakers, FarSeers, Empaths, ForeSeers, Firestarters, FarSpeakers, and more. These inborn talents—combined with training as emissaries, spies, judges, diplomats, scouts, counselors, warriors, and more—make them indispensable to their monarch and realm. Sought and Chosen by mysterious horse-like Companions, they are bonded for life to these telepathic, enigmatic creatures. The Heralds of Valdemar and their Companions ride circuit throughout the kingdom, protecting the peace and, when necessary, defending their land and monarch. Now, twenty-three authors ride with Mercedes Lackey to her magical land of Valdemar, adding their own unique voices to the Heralds, Bards, Healers, and other heroes of this beloved fantasy realm. Join Janny Wurts, Elisabeth Waters, Michele Lang, Fiona Patton, and others in twenty-four original stories, including a brand-new novella by Mercedes Lackey, all set in Valdemar, where: A young woman without any of the Heralds' Gifts must see a Companion safely delivered to Haven.... A Herald must revisit the mysteries of his childhood to save his own young family and combat a threat at the very heart of Valdemar.... A Hawkbrother flees for his life, trailed by a mysterious bird that prophesizes a dire future.... A mage must choose whether to steal a priceless artifact and be branded a thief and traitor, or let his country fall to magic that could prove far more deadly....

The Essential Wayne Dyer Collection Wayne W. Dyer, Dr. 2013-09-24 The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • The Power of Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at

intention as a field of energy that we can access to begin co-creating our lives. • Inspiration dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • Excuses Begone! reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!

Improv Wisdom Patricia Ryan Madson 2010-03-24 In an irresistible invitation to lighten up, look around, and live an unscripted life, a master of the art of improvisation explains how to adopt the attitudes and techniques used by generations of musicians and actors. Let's face it: Life is something we all make up as we go along. No matter how carefully we formulate a "script," it is bound to change when we interact with people with scripts of their own. Improv Wisdom shows how to apply the maxims of improvisational theater to real-life challenges—whether it's dealing with a demanding boss, a tired child, or one of life's never-ending surprises. Patricia Madson distills thirty years of experience into thirteen simple strategies, including "Say Yes," "Start Anywhere," "Face the Facts," and "Make Mistakes, Please," helping readers to loosen up, think on their feet, and take on everything life has to offer with skill, chutzpah, and a sense of humor.

Pathways to Stillness Gary Irwin-Kenyon 2016-07-14 This book is about stillness: What it is. How you

can find it. Where it hides itself. Why it is necessary to your life. It is a beginner's guide, because with stillness, no experience is necessary. Besides, you are always a beginner in any case, because when it is present, there truly is nothing to do and nowhere to go. This book is also about learning to appreciate wandering or meandering along life's pathways. It does not contain "Six easy steps to wisdom and immortality". Rather, it offers a way to approach your journey, which you then create and discover on your own, with help. You are invited to find a Pathway to Stillness that fits "your" life. On this pathway, you often cannot see what is around the next bend. However, you need only show up for it to become a journey of curiosity, wonder, and more life. You may come to agree with the phrase, "All who wander are not lost". Although this is a book about slowing down to stillness, it is a "pickup-and-go" book that can be read in short segments within a busy life. The stillness stories and the easy to learn relax-into-stillness movements can be enjoyed in any order that suits you. You can linger with those that speak to you the most. With this book, you can practise stillness while waiting for an appointment, before going to sleep, or whenever you can steal some time for yourself....

Napoleonic Wars - Historical Adventure Collection Arthur Conan Doyle 2022-05-17 Arthur Conan Doyle was a prolific writer of historical fiction with special interest and affection towards Napoleon's era. "The Great Shadow" takes place in the Napoleonic era on the English-Scottish border city called West Inch. It refers to the Napoleon's influence and his reputation that forms a shadow over West Inch. "Uncle Bernac" – Louis de Laval, a young French aristocrat in exile receives a mysterious invitation to join his uncle Bernac in France and enter into Napoleon's service. The novel follows the adventures of Louis and Bernac, and the story of life in Napoleon's camp on the French Coast. "Brigadier Gerard Stories" – Etienne Gerard, is a Hussar officer in the French Army during the Napoleonic Wars. Gerard's most notable attribute is his vanity. Obsessed with honor and glory, he is always ready with a stirring speech or a gallant remark to a lady. Adventure Psychology Paula Reid 2022-12-23 In recent years a new set of psychological principles has emerged from research investigating adventure and adventurous activities. Adventure involves a special type of physical activity in natural contexts where participants voluntarily participate in experiences where the environment and activity are challenging, perhaps dangerous and potentially life threatening. To go on an adventure is to participate in an enduring event requiring sustainable effort, where effective performance is measured not only by success but also by survival. This book brings together the

emerging literature in 'Adventure Psychology' that supports enduring performance and wellbeing. The first section examines sustaining performance and wellbeing. The second section studies the transformative aspect of adventure. Adventure Psychology is of use in everyday life and the techniques and understandings can help people and business prepare for the future. This book will help us all thrive despite adversity, volatility and uncertainty. Written for trainers, educators, researchers and students of sports, performance and organisational psychology as well as adventurers and endurance athletes, Adventure Psychology is designed to meet the needs of specialists across a variety of fields but importantly also to be accessible and applicable for those wanting to live life fully — to realise our full potential.

Level Up Your Life Steve Kamb 2016-01-12 In 5 years, Steve Kamb has transformed himself from wannabe daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Level Up Your Life is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

- Create your own "Alter Ego" with real-life super powers
- Build your own Epic Quest List, broken into categories and difficulty levels
- Hack your productivity habits to start making progress
- Train your body for any adventure
- Build in rewards and accountability that will actually motivate you to succeed
- Travel the world freely (and cheaply)
- Recruit the right allies to your side and find powerful mentors for guidance

Adventure is out there, and the world needs more heroes. Will you heed the call?

My First Piano Adventure: Lesson Book A with CD 2007-01-01 (Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's My First Piano Adventure, Lesson Book A. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of My First Piano Adventure. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. [View Helpful Introductory Videos Here](#)

Dungy 2017-02-07 This collection bundles two of New York Times bestselling author Tony and Lauren Dungy's popular titles into one e-book for a great value! **Uncommon Marriage** What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In **Uncommon Marriage**, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. **The Uncommon Marriage Adventure** Marriage is an adventure unlike any other. At times, you and your spouse may feel so close, connected, and in love that you're ready to take on the world together. But other times things grow distant, and you wonder where all the joy and excitement has gone. What is the secret to a happy, healthy, God-honoring marriage—one that will last through anything that comes your way? Join Tony and Lauren Dungy in **The Uncommon Marriage Adventure**, a series of daily reflections for couples. With transparency, wisdom, and humor, the Dungys share what they've learned over 30 years of marriage about faith, teamwork, conflict, communication, and more. Through each day's reading, you and your spouse will go deeper in loving, understanding, and learning to serve each other. Dare to embark on your own marriage adventure—and discover how to make your relationship truly uncommon.

Preaching What We Practice From major issues such as the threat of terrorism or the war in Iraq, through to social issues such as abortion or euthanasia, contemporary Christians are faced with almost daily quandaries. Often the first person a Christian will turn to in times of trouble or uncertainty is their local priest. In this day and age priests need to be able to address any number of problems and questions that parishioners have, often with little in the way of counseling training. This book, written by two respected authors - one a preacher, the other an ethicist, will go a long way to not only helping priests to provide moral discernment, but to actively welcome helping people through difficult times

Children's Literature Collections Keith O'Sullivan 2017-05-19 This book provides scholars, both national and international, with a basis for advanced research in children's literature in collections. Examining books for children published across five centuries, gathered from the collections in Dublin, this unique volume advances causes in collecting, librarianship, education, and children's literature studies more generally. It facilitates processes of discovery and recovery that present various pathways for researchers with diverse interests in children's books to engage with collections. From book histories, through bookselling, information on collectors, and histories of education to close text analyses, it is evident that there are various approaches to researching collections. In this volume, three dominant approaches emerge: history and canonicity, author and text, ideals and institutions. Through its focus on varied materials, from fiction to textbooks, this volume illuminates how cities can articulate a vision of

children's literature through particular collections and institutional practices.

Art as Adventure Rosemary O'Neill 2018-07-26 This volume represents a collection of six essays written by artists and art historians about journeys to places and methods of practice that challenge perceived taxonomies. The artist as traveler has deep historical precedents as contemporary art production today, and has historically followed political, economic, and cultural expansion. The role of the artist as witness, reporter, geographer, collector, and educator exemplifies the significance of mobility, geographic and cultural mediation in the productions of art and visual culture, and the critical questions raised as a result. The book encompasses a variety of perspectives on how artist-travelers have embraced and contextualized the places, people, cultures and overall experiences encountered on their journeys. Each chapter unveils different and unique approaches which artists have taken in reacting and creating as part of a journey in which they are often the outsiders to the culture and place. Visual mappings conveying geo-locative walking data, recreations of indigenous ritual as installation, participatory video installations uncovering community perspectives, and a reflective diary about walking across lands affected by natural disaster are some of the ways these artists and historians examine the experiences the artists have encountered abroad. Each piece is completely unique, yet united in the act of journey and pursuit of alternative narrative born of the experience.

Drawn to Enchant Timothy Garrett Young 2007-01-01 This volume presents over 200 selected original artworks from the collection of Betsy Beinecke Shirley, one of the great collectors of American children's literature. Shirley gathered an authoritative collection of books, original illustrations, manuscripts, as well as drawings and paintings from such children's classics as "Treasure Island" and "Eloise." The artwork in Shirley's collection guides the reader on a tour through the stages of childhood reading, this volume begins with ABC's and nursery books. It continues through adventure stories, magazines, and more, then concludes with a miscellany section of odds and ends. The images demonstrate how children's books evolved, from the nation's first days of independence to modern times. Artists whose works are represented include many of the favorites, among them Ludwig Bemelmans, Maurice Sendak, A.B. Frost, Wanda Gag, Peter Newell, N.C. Wyeth, Tony Sarg, Robert Lawson, and Johnny Gruelle.
