The Melting of Maggie Bean Tricia Rayburn 2008-06-25 Maggie looked down and barely saw her toenails peeking out from the shadow of her stomach. She closed her eyes and slowly stepped onto the scale. Entice Carrie Jones 2011-01-04 Zara and Nick are soul-mates - they're meant to be together for ever. But that's not quite how things have worked out. For starters, Nick is dead, and has been taken to Valhalla, a mystical resting place for warriors. If they can find the way there, Zara and her friends will try to get him back. But even if they do, Zara has turned pixie - and now she's Astley's queen! Meanwhile, more teenagers go missing as a group of evil pixies devastates the town of Bedford. Need Carrie Jones 2009-04-01 Zara collects phobias the way other high school girls collect lipsticks. Little wonder, since she's had a pretty rough life. Her father left when she was a baby, and her stepfather just died. Her mother's pretty much checked out - in fact, Mom's sent her to live with her grandmother in cold and sleepy Maine to "keep Zara safe." Whatever that means. Zara doesn't think she's in danger; she thinks her mother just can't deal. Zara's wrong. The man she sees everywhere - the tall creepy guy who points at her from the side of the road - yeh, he's not a figment of her imagination. He's a pixie. And not the cute, sweet kind with little wings. Maine's got a whole assortment of unbelievable creatures, like pixies and were-people. And they seem to need something - something from Zara... Look for the other exciting books in the Need series: Captivate, Entice, and coming next year, Endure!

Maggie Bean Stays Afloat Tricia Rayburn 2009-10-27 Here's what's new with Maggie Bean: At the end of her tumultuous year, Maggie Bean is a very happy, healthy girl. Not only is Maggie spearheading a Pound Patrollers kids' program but she gets a junior camp counselor job at Camp Sound View. Camp Sound View is a whole new world for Maggie. She works with kids from other schools who don't know her, or what she looked like a year ago. Everyone's friendly, boys treat her like a real girl, and

Maggie is mesmerized! The experience is something she knows never would've been possible the summer before. Wounded by Peter's recent rejection and flattered by the unexpected attention, Maggie immerses herself in everything Camp Sound View has to offer. Her confidence grows, and before long she's cracking jokes and initiating conversation without worrying (much) about what people think. It's all fun and games until Maggie becomes so involved, people (Aimee, Arnie and her family) feel neglected. Will Maggie sacrifice old friends for new ones? Will she change what's on the inside as people respond to her changed outside? Can she blend her two worlds together? And will all this tension send her seeking solace in old habits?

Orchestrating Public Opinion Paul Christiansen 2017-12-21 Analysis of political advertising tends to give music short shrift--which flies in the face of what we know about the power of music to set a mood, affect feelings, and influence our perceptions. This book is the first to offer a detailed exploration of the role of music in US presidential

campaign advertising, from Eisenhower to the present, showing that in many cases music isn't simply one element in the presentation of an ad's message--it's the dominant factor, more important than images, words, or narration.
