Professional Development through Mentoring Juliana Othman 2019-08-08 In their book, Othman and Senom provide a unique insight into the challenges faced by novice English as a Second Language (ESL) teachers and establish how mentoring can provide effective support for new teachers' professional development. The book demonstrates the theoretical background for viewing mentoring as a process crucial to novice teachers' development, particularly to the teachers' ability to succeed and grow in a specific workplace environment. Using case studies from a Malaysian context, this book provides a comprehensive understanding of how mentoring can serve as a strategy to facilitate the transition of novice ESL teachers from a teacher education programme to life in real classrooms. Through its case studies, the book will examine both theoretical and practical issues for mentors, teacher educators, policymakers, and administrators when mentoring new ESL teachers. This book will be valuable to researchers who are particularly interested in exploring novice teachers' identity development, and experienced teachers to help guide new teachers through the socialization process in their schools.

The Funniest Joke Book Ever! Editors of Portable Press 2016-05-01 Over 500 giggles, groans, and belly laughs! Kids can't resist sharing jokes (even you try to stop them), so they always need a fresh supply. We've stuffed the pages of this little joke book with the funniest jokes we could find. Old favorites, new favorites, and a few festering stinkers, all guaranteed to make kids laugh out loud. You'll find Q&A jokes, knock-knock jokes, riddles, and one-liners. And, of course, we've included entire chapters of those all-time kid-pleasers: elephant jokes, pirate jokes, and space jokes. Here's a sampling: What's black and white, black and white, black and white? A penguin rolling down a hill. Why don't zombies eat clowns? They taste funny. Why did the hen scold her chicks? They were using fowl language. What kind of books do skunks read? Best-smellers! How does Darth Vader like his toast? On the dark side. . . . and many more!

Funny English: A New & Reliable Method of English Mastery with the Aid of Jokes Metin Emir 2019-04 The most effective method of mastering any language is to get involved in real practice of the language rather than memorizing and doing tests. Thus, why do not we change our attitude and learn naturally? All the tools and materials are available starting with videos and ending with travel and reading.

And the most effective type of reading is the one that makes you more interested and entertained. Nothing like jokes can interest and amuse us. They create an enjoyable atmosphere and put a smile on our faces. And above all, they stick in our memory forever because our memories save data which is related to some feelings or emotions. (for example, when we are shocked by some news we will remember this news for years - when we go on an exciting vacation with our loved ones, we will remember all of the details for years ...). Jokes usually make us overjoyed and happy every time we hear or tell them. They can stick in memory without any effort, giving us a great deal of grammar, nouns, verbs, adjectives, idioms in a way that makes them present in our mind and ready to use. For this reason, I truly recommend jokes as a natural method of learning the language in a funny and interesting manner. And in this book, I will show how to make use of every joke and develop your language without being fed up or stressed.

Teaching English Language Learners in Secondary Subject Matter Classes Yu Ren Dong 2019-08-01 This book is for secondary subject matter teachers and administrators who work with English language learners (ELLs) in subject matter classes. It is also for college professors who prepare pre-service teachers to work with those students. The book brings together insights from linguistic, socio-cultural, educational, cognitive, developmental perspectives of what it means for ELLs to learn both English and subject matter knowledge in English as a second language. It delineates unique challenges that ELLs experience, offers ELLs' learning stories, and suggests concrete strategies with classroom teaching examples across academic disciplines. The 2nd edition broadens the scope of the 1st edition in several aspects. Specifically, it includes two chapters about secondary ELLs' previous educational experiences in their home countries, a chapter on subject matter lesson planning with ELLs in mind with teacher collaborative strategies, and more principle-based and field-tested effective instructional and assessment strategies for working with ELLs.

The Phantom Tollbooth Norton Juster 1988-10-12 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

Have Fun Talking! Mark Daves 2016-09-04 Would you like to improve your English language skills using a book that is filled with humorous dialogues, fun exercises, and lots of jokes? Would you like to learn many new idioms and deepen your knowledge of the language? Would you like to have a book that is divided into many small chapters which are easy to cover in short periods of time? If so, Have Fun Talking is the book for you! In this unusual English language learning book you will find 101 informal conversations in English with exercises, idioms, jokes and words of wisdom. Have Fun Talking is designed for the busy professional, the continuing student, and tutors and their students. It is divided into 101 informative conversations with Chinese translations and exercises designed to test comprehension. Exercises include sentence substitutions, matching words and definitions, filling in blanks, true and false, extended readings, and idioms. Unlike a novel, which requires an extended commitment of time to read, this book is designed to be read and studied in small pieces at your convenience and at your own pace. Have Fun Talking is both useful as a textbook for tutors and for larger classes. Each dialogue involves just two characters, and so the format is useful for a variety of learning situations, from one-to-one lessons to small group settings to large classrooms. Have Fun Talking features a joke on the bottom of nearly every page. Jokes are usually built on the fact that the punchline contains a word with two meanings, and this presents opportunities to expand comprehension and vocabulary. The dialogues in Have Fun Talking occur in a variety of situations- at the zoo, at an ice cream shop, at a concert, at school, at the library, at the ballpark, by the sea flying kites, at a dance, at a bar, at the mall, the music store, the shoe store, you name it! There are dialogues set in a restaurant, at the train station, at the swimming pool and hiking in the mountains. You will learn useful sentences for situations involving buying and leasing cars, booking a flight, selecting and purchasing a home, making a dentist appointment, sending a package, and making withdrawals and deposits at the bank. Chapters include: Two Animals Talking, School Talk, Going Places, Buying Things, Fishing, Transportation, Outdoor Activities, Travel, Money and Houses, Life Situations, and Health and Beauty. There is an answer key at the back of the book for every exercise. Students who wish to maximize the effectiveness of Have Fun Talking will also be happy to know that there is a CD recording of all 101 dialogues. The recording artists are all native English speakers from the United States and England. We encourage those who have found the book useful to also acquire the recorded dialogues. Listening to and emulating the native speakers pronunciation and cadence will enhance the Have Fun Talking experience and help you to become more skilled at speaking English.

Your Path to Learning English Idioms Timothy Sauder 2017-05-11 It is estimated that about 10 percent of the English language are idioms and phrases. This increases as you watch American TV, from the movies to the news. It is impossible to understand American English without basic knowledge of these phrases. Even Americans do not understand some of the things that are said on their own grams. Second-language people are five times more than native-born English speakers of all countries. This book is a must if you are going to know anything about the English language. Of course I do not cover British English, which has its own idioms and phrases. Every country has its own words and phrases, but in this book we are dealing with American and Canadian English. I hope you enjoy the humor of it as well. Most Canadian jokes are about Americans. This books humor is based on that fact.

Great American Humor Gerd De Ley 2019-11-12 Mark Twain wrote: "Humor is mankind's greatest blessing." Consider yourself blessed a thousand-fold with the new compilation Great American Humor by Gerd de Ley. Great American Humor collects 1000 wise and witty jokes, clever sayings and smart one-liners from well-known American humorists, actors, comedians, politicians, and personalities into a terrific volume guaranteed to generate laughs. Great American Humor features quips and quotes from well-known figures such as Mark Twain, Steve Martin, Bette Midler, Milton Berle, Ellen DeGeneres, Rodney Dangerfield, Robin Williams, Mae West, Mitch Hedberg, Joan Rivers, George Carlin, and the list goes on. Carefully researched and culled for maximum guffaws, Great American Humor captures the unique spirit of American wit and features more than enough jokes, puns and riddles to have everyone laughing.
