Borrowing Blue Lucy Lennox 2021-02-10 Blue: When my ex walks into the resort bar with his new husband on his arm, I want nothing more than to prove to him that I've moved on. Thankfully, the sexy stranger sitting next to me is more than willing to share a few kisses in the name of revenge. It gets even better when those scorching kisses turn into a night of fiery passion. The only problem? Turns out the stranger's brother is marrying my sister later this week. Tristan: I have one rule: no messing with the guests at my vineyard resort. Of course the one exception I make turns out to be my future brother-in-law. Now we're stuck together for a week of wedding activities, and there's no avoiding the heat burning between us. So fine, we make a deal: one week. One week to enjoy each other's bodies and get it out of our system. Once the bride and groom say I do and we become family, it'll all be over between us. Right?

The Elocutionists Marian Wilson Kimber 2017-01-19 Emerging in the 1850s, elocutionists recited poetry or drama with music to create a new type of performance. The genre--dominated by women--achieved remarkable popularity. Yet the elocutionists and their art fell into total obscurity during the twentieth century. Marian Wilson Kimber restores elocution with music to its rightful place in performance history. Gazing through the lenses of gender and genre, Wilson Kimber argues that these female artists transgressed the previous boundaries between private and public domains. Their performances advocated for female agency while also contributing to a new social construction of gender. Elocutionists, proud purveyors of wholesome entertainment, pointedly contrasted their "acceptable" feminine attributes against those of morally suspect actresses. As Wilson Kimber shows, their influence far outlived their heyday. Women, the primary composers of melodramatic compositions, did nothing less than create a tradition that helped shape the history of American music.

Above and Beyond (Twist of Fate, Book 4) Sloane Kennedy 2020-01-17 Lucky Two years ago I humiliated myself by declaring my love to an older man who clearly didn't share my feelings. And that's fine. One day Zach will come around. Meanwhile, I've built a life for

myself in northern Montana, pursuing my college degree while working hard toward certification in high-risk alpine search and rescue on the side. And perhaps I've kept the danger part a secret from my two dads. After all, what they don't know won't hurt them... Everything's going exactly as planned until my dads send Zach to check on me just as I'm dealing with an ex who doesn't understand the meaning of the word no. It's bad enough Zach still thinks of me as a child; now he also thinks I'm incapable of looking out for myself. I need to get him off my back before he finds out I'm not heading to Wyoming for summer break like everyone thinks. I'm going to Glacier National Park to learn how to rappel from helicopters... Zach Two years ago I wanted something I couldn't have, so I threw myself back into my job as an Army Ranger and wound up scarred in more ways than one. When the army dumps my sorry self back into the real world, it's time to start over. I accept a summer job teaching high-risk search and rescue. On the way there, all I have to do is peek in on little Lucky Reed and make sure he's okay. He's not. Someone has it out for him, and I'll be damned if I'm going to let him get hurt on my watch. My plan is to keep him safe until he heads south for his summer job playing trail guide to tourists. Once he's gone, I'll be free to head to Glacier where my biggest challenge will be keeping a handful of alpine search and rescue students safe as they learn how to dangle from helicopters high above the Rocky Mountains. It's all fine. Until it's not. Danger follows us to Glacier, and by the time I finally start seeing Lucky as more than the awkward teenager he used to be, I wonder if it's too late to convince him that this scarred soldier sees him as anything but little anymore.

Great Circle Maggie Shipstead 2021-05-04 NEW YORK TIMES BESTSELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK • WOMEN'S PRIZE FOR FICTION NOMINEE • The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost: an "epic trip—through Prohibition and World War II, from Montana to London to present-day Hollywood—and you'll relish every minute" (People). After being rescued as infants from a sinking ocean liner in 1914, Marian and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There--after encountering a pair of barnstorming pilots passing through town in beat-up biplanes--Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill her destiny: circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates--and their hunger for self-determination in vastly different geographies and times--collide. Epic and emotional, meticulously researched and gloriously told, Great Circle is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead. Monet Hates Me Tacita Dean 2021-11-16 Available for a limited time, this artist's book by renowned visual artist Tacita Dean explores her chance encounters with objects in the archives of the Getty Research Institute. As the Getty Research Institute artist in residence in 2014–15, Tacita Dean was asked to define a subject and identify a path of research. What she proposed instead was a project titled "The Importance of Objective Chance as a Tool of Research." Her idea was to allow chance to be her guide. Dean researched randomly, picking out boxes from the collections without knowing their contents, meandering through objects and images from sources as varied as medieval alchemy books to twentieth-century artist letters. Monet Hates Me features reproductions of fifty artworks she created from Getty's archival holdings along with enlightening texts that expand on her method of research and illustrate her encounters with the archives.

A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature Gordon Williams 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th-century English, this book draws especially on the more immediate literary modes: the theatre, broadside ballads, newsbooks and pamphlets. The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings; and more broadly, to chart, through illustrative quotation, shifting and recurrent linguistic patterns. Linguistic habit is closely bound up with the ideas and assumptions of a period, and the figurative language of sexuality across this period is highly illuminating of socio-cultural change as well as linguistic development. Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden.

I Wonder Marian Bantjes 2018-09-25 From typographic illustrator Marian Bantjes, I Wonder will make you think in new ways about art, design, beauty, and popular culture. This unique presentation features the elaborately crafted word pictures of Marian Bantjes, the most inventive and creative typographic illustrator of our time. Whether intricately hand-drawn or using computer illustration software, Bantjes's work crosses the boundaries of time, style, and technology. There is, however, another side to Bantjes's visual work: her thoughtful treatises on art, design, beauty, and popular culture that add a deeper dimension to the decorative nature of her best-known work. These reflections cover the cult of Santa, road-side advertising, photography and memory, the alphabet's letterforms, heraldry, and stars. Bantjes's writing style ranges from the playful to the confrontational, but it is always imbued with perspicacity, insight, and a sense of fun. Intended to inspire creatives of any persuasion, this is more than a collection of ideas: Bantjes has meticulously illustrated every page of the book in her inimitable style to create an accessible work of art that is far greater than the sum of its parts. Quirky, poignant, astute, funny--this beautiful book presents a compelling collection of observations on visual culture and design. In Stefan Sagmeister's telling words, Bantjes's work is his "favorite example of beauty facilitating the communication of meaning." This paperback edition is expanded with a new essay from the author.
