The Slaves Frederick Douglass 2016-12-16 "The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, is in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

The Cambridge Companion to the African American Slave Narrative Audrey Fisch 2007-05-31 The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the

rediscovery of the slave narrative and its subsequent critical reception, as well as the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field.

Frederick Douglass: Autobiographies (LOA #68) Frederick Douglass 1994-02-01 Henry Louis Gates, Jr. presents the only authoritative edition of all three autobiographies by the escaped slave who became a great American leader. Here in this Library of America volume are collected Frederick Douglass's three autobiographical narratives, now recognized as classics of both American history and American literature. Writing with the eloquence and fierce intelligence that made him a brilliantly effective spokesman for the abolition of slavery and equal rights, Douglass shapes an inspiring vision of self-realization in the face of monumental odds. *Narrative of the Life of Frederick Douglass, an American Slave* (1845), published seven years after his escape, was written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave. A powerfully compressed account of the cruelty and oppression of the Maryland plantation culture into which Douglass was born, it brought him to the forefront of the anti-slavery movement and drew thousands, black and white, to the cause. In *My Bondage and My Freedom* (1855), Douglass expands the account of his slave years. With astonishing psychological penetration, he probes the painful ambiguities and subtly corrosive effects of black-white relations under slavery, and recounts his determined resistance to segregation in the North. The book also incorporates extracts from Douglass's speeches, including the searing "What to the Slave Is the Fourth of July?" *Life and Times*, first published in 1881, records Douglass's efforts to keep alive the struggle for racial equality during Reconstruction. John Brown, Abraham Lincoln, William Lloyd Garrison, and Harriet Beecher Stowe all feature prominently in this chronicle of a crucial epoch in American history. The revised edition of 1893, presented here, includes an account of his controversial diplomatic mission to Haiti. This volume contains a detailed chronology of Douglass's life, notes providing further background on the events and people mentioned, and an account of the textual history of each of the autobiographies. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

Harriet Tubman Ann Petry 2015-09-08 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

The Genetic Strand Edward Ball 2007-11-06 The Genetic Strand is the story of a writer's investigation, using DNA science, into the tale of his family's origins. National Book Award winner Edward Ball has turned his probing gaze on the microcosm of the human genome, and not just any human genome -- that of his slave-holding ancestors. What is the legacy of such a family history, and can DNA say something about it? In 2000, after a decade in New York City, Ball bought a house in Charleston, South Carolina, home to his father's family for generations, and furnished it with heirloom pieces from his relatives. In one old desk he was startled to discover a secret drawer, sealed perhaps since the Civil War, in which someone had hidden a trove of family hair, with each lock of hair labeled and dated. The strange find propelled him to investigate: what might DNA science reveal about the people -- Ball's family members, long dead -- to whom the hair had belonged? Did the hair come from white relatives, as family tradition insisted? How can genetic tests explain personal identity? Part crime-scene investigation, part genealogical romp, The Genetic Strand is a personal odyssey into DNA and family history. The story takes the reader into forensics labs where technicians screen remains, using genetics breakthroughs like DNA fingerprinting, and into rooms where fathers nervously await paternity test results. It also summons the writer's entertaining and idiosyncratic family, such as Ball's antebellum predecessor, Aunt Betsy, who published nutty books on good Southern society; Kate Fuller, the enigmatic ancestor who may have introduced African genes into the Ball family pool; and the author's first cousin Catherine, very much alive, who donates a cheek swab from a mouth more attuned to sweet iced tea than DNA sampling. Writing gracefully but pacing his story like an old-fashioned whodunit, Edward Ball tracks genes shared across generations, adding suspense and personal meaning to what the scientists and Nobel laureates tell us. A beguiling DNA tale, The Genetic Strand reaches toward a new form of

writing the genetic memoir.

The Life of Frederick Douglass Frederick Douglass 2021-05-05 Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts.[1] It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man. It contains two introductions by well-known white abolitionists: a preface by William Lloyd Garrison, and a letter by Wendell Phillips, both arguing for the veracity of the account and the literacy of its author.

Drown Junot Díaz 1997-07-01 From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey through the New World. A coming-of-age story of unparalleled power, *Drown* introduced the world to Junot Díaz's exhilarating talents. Here is the soulful, unsparing book that made Díaz a literary sensation.

Setting Down the Sacred Past Laurie F. Maffly-Kipp 2010-04-30 As early as the 1780s, African Americans told stories that enabled them to survive and even thrive in the midst of unspeakable assault. Tracing previously unexplored narratives from the late eighteenth century to the 1920s, Laurie Maffly-Kipp brings to light an extraordinary trove of sweeping race histories that African Americans wove together out of racial and religious concerns. Asserting a role in God's plan, black Protestants sought to root their people in both sacred and secular time. A remarkable array of chroniclers—men and women, clergy, journalists, shoemakers, teachers, southerners and northerners—shared a belief that narrating a usable past offered hope, pride, and the promise of a better future. Combining Christian faith, American patriotism, and racial lineage to create a coherent sense of community, they linked past to present, Africa to America, and the Bible to classical literature. From collected shards of memory and emerging intellectual tools, African Americans fashioned stories that helped to restore meaning and purpose to their lives in the face of relentless oppression. In a pioneering work of research and discovery, Maffly-Kipp shows how blacks overcame the accusation that they had no history worth remembering. African American communal histories imagined a rich collective past in order to establish the claim to a rightful and respected place in the American present. Through the transformative power of storytelling, these men and women led their people—and indeed, all Americans—into a more profound understanding of their interconnectedness and their prospects for a common future.

Frederick Douglass David W. Blight 2020-01-07 **Winner of the Pulitzer Prize in History** “Extraordinary...a great American biography” (The

New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this “cinematic and deeply engaging” (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass’s newspapers. “Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass’s” (The Wall Street Journal), Blight’s biography tells the fascinating story of Douglass’s two marriages and his complex extended family. “David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century” (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

In the Words of Frederick Douglass Frederick Douglass 2013-10-15 "No people are more talked about and no people seem more imperfectly understood. Those who see us every day seem not to know us."—Frederick Douglass on African Americans "There is no negro problem. The problem is whether the American people have loyalty enough, honor enough, patriotism enough, to live up to their own constitution."—on civil rights "Woman should have justice as well as praise, and if she is to dispense with either, she can better afford to part with the latter than the former."—on women "The thing worse than rebellion is the thing that causes rebellion."—on rebellion "A man is never lost while he still earnestly thinks himself worth saving; and as with a man, so with a nation."—on perseverance "I am ever pleased to see a man rise from among the people. Beginning his long public career in 1841 as an agent of the Massachusetts Anti-Slavery Society, Douglass subsequently edited four newspapers and championed many reform movements. An advocate of morality, economic accumulation, self-help, and equality, Douglass supported racial pride, constant agitation against racial discrimination, vocational education for blacks, and nonviolent passive resistance. He was the only man who played a prominent role at the 1848 meeting in Seneca Falls that formally launched the women's rights movement. He was a temperance advocate and opposed capital punishment, lynching, debt peonage, and the convict lease system. A staunch defender of the Liberty and Republican parties, Douglass held several political appointments, frequently corresponded with leading politicians, and advised Presidents Lincoln, Grant, Hayes, Garfield, and Harrison. He met with John Brown before his abortive raid on Harpers Ferry, helped to recruit African American troops during the Civil War, attended most national black conventions held between 1840 and 1895, and served as U.S. ambassador to Haiti. Farah Jasmine Griffin has taken to her heart the phrase "read until you understand," a line her father, who

Griffin has spent years rooted in the culture of Black genius and the legacy of books that her father left her. A beloved professor, she has devoted herself to passing these works and their wisdom on to generations of students. Here, she shares a lifetime of discoveries: the ideas that inspired the stunning oratory of Frederick Douglass and Malcolm X, the soulful music of Marvin Gaye and Stevie Wonder, the daring literature of Phillis Wheatley and Toni Morrison, the inventive artistry of Romare Bearden, and many more. Exploring these works through such themes as justice, rage, self-determination, beauty, joy, and mercy allows her to move from her aunt's love of yellow roses to Gil Scott-Heron's "Winter in America." Griffin entwines memoir, history, and art while she keeps her finger on the pulse of the present, asking us to grapple with the continuing struggle for Black freedom and the ongoing project that is American democracy. She challenges us to reckon with our commitment to all the nation's inhabitants and our responsibilities to all humanity.

Reading with Patrick Michelle Kuo 2017-07-11 "In all of the literature addressing education, race, poverty, and criminal justice, there has been nothing quite like Reading with Patrick."—The Atlantic A memoir of the life-changing friendship between an idealistic young teacher and her gifted student, jailed for murder in the Mississippi Delta FINALIST FOR THE DAYTON LITERARY PEACE PRIZE Recently graduated from Harvard University, Michelle Kuo arrived in the rural town of Helena, Arkansas, as a Teach for America volunteer, bursting with optimism and drive. But she soon encountered the jarring realities of life in one of the poorest counties in America, still disabled by the legacy of slavery and Jim Crow. In this stirring memoir, Kuo, the child of Taiwanese immigrants, shares the story of her complicated but rewarding mentorship of one student, Patrick Browning, and his remarkable literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle's exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves Arkansas to attend law school. Then, on the eve of her law-school graduation, Michelle learns that Patrick has been jailed for murder. Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick's education—even as he sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive

writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S. Merwin, and others. In her time reading with Patrick, Michelle is herself transformed, contending with the legacy of racism and the questions of what constitutes a “good” life and what the privileged owe to those with bleaker prospects. “A powerful meditation on how one person can affect the life of another . . . One of the great strengths of Reading with Patrick is its portrayal of the risk inherent to teaching.”—The Seattle Times “[A] tender memoir.”—O: The Oprah Magazine

Narrative of the Life of Frederick Douglass, an American Slave & Incidents in the Life of a Slave Girl Frederick Douglass 2011-07-06 Introduction by Kwame Anthony Appiah Commentary by Jean Fagan Yellin and Margaret Fuller This Modern Library edition combines two of the most important African American slave narratives—crucial works that each illuminate and inform the other. Frederick Douglass’s Narrative, first published in 1845, is an enlightening and incendiary text. Born into slavery, Douglass became the preeminent spokesman for his people during his life; his narrative is an unparalleled account of the dehumanizing effects of slavery and Douglass’s own triumph over it. Like Douglass, Harriet Jacobs was born into slavery, and in 1861 she published Incidents in the Life of a Slave Girl, now recognized as the most comprehensive antebellum slave narrative written by a woman. Jacobs’s account broke the silence on the exploitation of African American female slaves, and it remains essential reading. Includes a Modern Library Reading Group Guide
