The Story of the Jubilee Singers; with Their Songs. [The Preface Signed: J. B. T. M., i.e. J. B. T. Marsh.] Second Edition J. B. T. M. 1875

Blacks and Whites in Christian America Jason E. Shelton 2012-01-01 Conventional wisdom holds that Christians, as members of a "universal" religion, all believe more or less the same things when it comes to their faith. Yet black and white Christians differ in significant ways, from their frequency of praying or attending services to whether they regularly read the Bible or believe in Heaven or Hell. In this engaging and accessible sociological study of white and black Christian beliefs, Jason E. Shelton and Michael O. Emerson push beyond establishing that there are racial differences in belief and practice among members of American Protestantism to explore why those differences exist. Drawing on the most comprehensive and systematic empirical analysis of African American religious actions and beliefs to date, they delineate five building blocks of black Protestant faith which have emerged from the particular dynamics of American race relations. Shelton and Emerson find that America's history of racial oppression has had a deep and fundamental effect on the religious beliefs and practices of blacks and whites across America.

No Man Can A-Hinder Me Edward W. Robinson, Jr. 2012-04-01 In "No Man Can A-Hinder Me", Dr. Robinson chronicles a 93-year search for the answer to White-On-Black hostility. Not only does he expose the hypocrisy of documents like the Constitution and the Emancipation Proclamation, he offers solutions that can easily be undertaken by all oppressed people if they can just overcome the centuries-old "brainwash" of the oppressor. Using examples of his long, illustrious life, Dr. Robinson reveals his gifts as a spell-binding teacher and story-teller.

The Chernagor Pirates Harry Turtledove 2015-12-15 Only a long-lost talisman can save a besieged kingdom torn between two kings, as a malevolent god marshals his minions to attack, corrupt, and destroy Two lieges—King Lanius, who is of royal blood, and King Grus, the usurper—now share the throne of Avornis. The former wields no real power, kept impotent by the regents surrounding him. The latter mans the battle lines, determined to protect the kingdom from a fearsome, immortal god who was expelled from heaven. To the north, the city-state Chernagor is being torn asunder by a savage civil war that threatens to spill past the border at any moment. Catastrophe looms for Avornis and even two kings united may not be strong enough to save her. The kingdom's final hope lies in the recovery of the Scepter of Mercy, lost for four centuries. But the mighty talisman is in the hands of the Mentеше—barbarian nomads who are vassals of the terrible exiled god—and now that the Banished One wants to consume the entire world, they will never relinquish its power. The Scepter of Mercy, Harry Turtledove's epic fantasy trilogy, continues with The Chernagor Pirates, the second volume in an adventure that pits man against man, and man against immortal. Originally penned under the pseudonym Dan Chernenko, it is an unforgettable tale that demonstrates the unparalleled creativity and unique storytelling prowess of the Hugo Award-winning master world-builder.
