Seek Paul Fleischman 2006 Rob becomes obsessed with searching the airwaves for his long-gone father, a radio announcer. TAKING TURNS Ja Huss 2017-01-11 I've never been afraid of the dark...but that doesn't mean I wanted to live in it. And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It was carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.

Alphamaniacs Paul Fleischman 2020-04-21 Are you a word person? A curiosity seeker? An explorer? Take a look at these twenty-six extraordinary individuals for whom love of language is an extreme sport. Step right up and read the genuine stories of writers so intoxicated by the shapes and sound of language that they collected, dissected, and constructed verbal wonders of the most extraordinary kind. Jean-Dominique Bauby wrote his memoirs by blinking his left eyelid, unable to move the rest of his body. Frederic Cassidy was obsessed with the language of place, and after posing hundreds of questions to folks all over the United States, amassed (among other things) 176 words for dust bunnies. Georges Perec wrote a novel without using the letter e (so well that at least one reviewer didn't notice its absence), then followed with a novella in which e was the only vowel. A love letter to all those who love words, language, writing, writers, and stories, Alphamaniacs is a stunningly illustrated collection of mini-biographies

about the most daring and peculiar of writers and their audacious, courageous, temerarious way with words.

Joyful Noise Paul Fleischman 2013-09-24 From the Newbery Medal-winning author of *Seedfolks*, Paul Fleischman, *Joyful Noise* is a collection of irresistible poems that celebrates the insect world. Funny, sad, loud, and quiet, each of these poems resounds with a booming, boisterous, joyful noise. The poems resound with the pulse of the cicada and the drone of the honeybee. They can be fully appreciated by an individual reader, but they're particularly striking when read aloud by two voices, making this an ideal pick for classroom use. Eric Beddows's vibrant drawings send each insect soaring, spinning, or creeping off the page in its own unique way. With *Joyful Noise*, Paul Fleischman created not only a fascinating guide to the insect world but an exultant celebration of life.

The Mind's Eye Paul Fleischman 2013-12-17 Eighty-eight-year old Elva and Courtney, an attractive sixteen-year-old with a severed spinal cord, lie in adjacent beds in a grim Bismarck, North Dakota convalescent home. Ignored by the world, the only resource they have left is their imagination. As Elva and Courtney go on a fantasy trip to Italy (accompanied by Elva's long dead husband and guided by a 1910 travel book), Elva shows Courtney a new way to envision love. But to accept it, and the gift of the imagination, Courtney must make the trip her own--even if she destroys the art Elva holds most dear. Written entirely in dialogue, *The Mind's Eye* can be performed as reader's theater, but it is a fully satisfying novel. In this extraordinarily innovative, profound, and yet readable book Paul Fleischman makes us all feel what a powerful--and dangerous--tool the imagination can be.

'Warm, funny, and almost unbearably moving' Daily Mail 'Rescued all those men who constantly mean to read novels but never get round to it' Spectator Books of the Year At first sight, Ove is almost certainly the grumpiest man you will ever meet. He thinks himself surrounded by idiots - neighbours who can't reverse a trailer properly, joggers, shop assistants who talk in code, and the perpetrators of the vicious coup d'etat that ousted him as Chairman of the Residents' Association. He will persist in making his daily inspection rounds of the local streets. But isn't it rare, these days, to find

such old-fashioned clarity of belief and deed? Such unswerving conviction about what the world should be, and a lifelong dedication to making it just so? In the end, you will see, there is something about Ove that is quite irresistible . . .
