Rebuilding the Indian 2005-08-24 The building of a vintage Indian Chief motorcycle is more than the restoration of a bike?it?s the resurrection of a dream. Rebuilding the Indian chronicles one man?s journey through the fearful expanse of midlife in a quest for peace, parts, and a happy second fatherhood. Fred Haefele was a writer who couldn?t get his book published, an arborist whose precarious livelihood might just kill him, and an expectant father for the first time in over twenty years. He was in a rut, until he purchased a box of parts not so euphemistically referred to as a ?basket case? and tackled the

restoration of an Indian Chief motorcycle. With limited mechanical skills, one foot in the money pit, and a colorful cast of local experts, Haefele takes us down the rocky road of restoration to the headlong, heart-thrilling rush of open highway on his gleaming midnight-blue Millennium Flyer.

The Investigator Vladimír Dzuro 2019-11 The war that broke out in the former Yugoslavia at the end of the twentieth century unleashed unspeakable acts of violence committed against defenseless civilians, including a grizzly mass murder at an Ov?ara pig farm in 1991. An international tribunal was set up to try the perpetrators of crimes such as this, and one of the accused was Slavko Dokmanovi?, who at the time was the mayor of a local town. Vladimír Dzuro, a criminal detective from Prague, was one of the investigators charged with discovering what happened on that horrific night at Ov?ara. The story Dzuro presents here, drawn from his daily notes, is devastating. It was a time of brutal torture, random killings, and the disappearance of innocent people. Dzuro provides a gripping account of how he and a handful of other investigators picked up the barest of leads that eventually led them to the gravesite where they exhumed the bodies. They were able to track down Dokmanovi?, only to find that taking him into custody was a different story altogether. The politics that led to the war hindered justice once it ended. Without any thoughts of risk to their own personal safety, Dzuro and his colleagues were determined to bring Dokmanovi? to justice. In addition to the story of the pursuit and arrest of Dokmanovi?, The Investigator provides a realistic picture of the war crime investigations that led to the successful prosecution of a number of war criminals.
