Although parents are primary in assuring their children’s well-being and healthy development, a broad range of government programs also play an important role, especially for children in low-income families.

The Work of Byron Katie

Much of our stress comes from mentally living out of our own business. When I think, “You need to get a job, I want you to be happy, you should be on time, you need to take better care of yourself,” I am in your business. When I’m worried about earthquakes, floods, war, or when I will die, I am in God’s business. If I am
