An awareness Thom first experienced while on sabbatical at the spiritual centres of Taize, the Abbey of Gethsemani and Iona, where these liturgies and prayers first took root. Our Lenten Prayer Olu Brown 2021-12 During Lent, worshipers around the world join together in a common theme of Christian faith, practicing self-reflection and remembrance of the sacrifice Jesus Christ made on Calvary. It is not only a time of individual reflection, but a time of communal reflection, reminding us that we are a global community of believers, and we have a responsibility to one another and to our world. Olu Brown, author of best-seller *Hope: An Advent Journey*, has written the new book for Lent 2022, *Our Lenten Prayer*, for individuals, small groups, and church-wide Lenten studies. During this Lenten season, the author encourages the reader to lean fully on God and practice the spiritual discipline of trust. Rev. Brown believes there is so much we don't know or understand, and so much we have to learn. He writes that our attempts to be God are futile exercises that lead to nothing but disappointment and disillusionment. Rev. Brown believes that God is challenging us to fully release and trust God for all things in our lives during this Lenten season. It doesn't mean we literally stop and cease to do anything, but we live and operate with the mindset that God is in control and has our best interests at heart even when we don't fully understand what God is doing or perceive God's presence in our lives and world. We need to be open and willing to ask God for help and direction. Don't worry, however. Olu reminds the reader that God is available to lead and guide us every step of the way. Chapters include: The Season of Lent? Jesus's Model Prayer? Hypocrisy? An Inclusive God and Holy God? Here and Now! Kingdom Come? Your Will? Daily Bread? Forgiveness? Fighting Temptation? Your Personal Doxology? Transformation

The Kerygma Class 7: 14 Devotional: A Collection of Devotional E-mails Praying for Our Nation K. L. Claibourne 2019-12-31 What started out as daily email reminders for her church's Bible study group, during the period of Lent, became inspiration for the members and their families to know God was present, there for them at all times. Author Kelly Claibourne was part of the Kerygma class at her church, a Bible Study Fellowship class, and was asked to create email

reminders for members to follow their pastor's instructions to pray for our nation at 7:14 in the morning or evening, using 2 Chronicles 7:14 as a guide. This was to be during Lent, the day after Ash Wednesday to Easter. The Kerygma Class 7:14 Devotional comprises those daily emails Kelly wrote to encourage the members to pray. However, Kelly noticed the more she wrote the prayer emails, the more she felt God was speaking to the members through the messages. As the emails continued throughout the Bible study's time of prayer, Kelly began to reflect more on how God's Word was comforting life situations that were impacting the group. One member was diagnosed with colon cancer; another passed away right before Easter from a cancer battle; mass shootings and other social issues that caused the group, and nation, to be troubled about the state of our country. Kelly also included meditations about the armor of God from Ephesians 6 and the Lord's Prayer in the emails. After being told that her prayer emails were also being sent to family members and friends enduring trials, Kelly felt the Lord was prompting her to collect these prayer emails into a book that would be available for all readers, believers and non-believers alike. The Kerygma Class 7:14 Devotional is a call to those reading to stop trying to handle life on their own and open their arms up to a loving God who wants a personal relationship with each of his children. If we call out for help and repent, He will heal us and our land.

A Companion for the Journey Larry Patten 2011-12-28 Here's a "companion" for a daily journey during Lent (or whenever you seek to deepen, question, or renew your Christian faith. Using phrases from the Lord's Prayer, each reflection invites the reader to see the Holy at work in the world. Patten has been mentored by Barbara Brown Taylor, Lauren Winner, and Nora Gallagher. Theologian John Cobb has said, "Larry Patten has envisaged a format that should appeal to the busy reader. Each short chapter stands on its own, with its own message. It can function as a devotional moment. Yet the sequence of chapters develops a cumulative meaning. The writing is good and the stories are well told." A United Methodist pastor, Larry Patten has served churches, been a campus minister, and worked as a hospice chaplain.

Each Day & Each Night J. Philip Newell 2003-01-27 A six-day cycle of prayer in the Celtic tradition, incorporating the daily themes used in Iona Abbey: justice and peace, prayer for healing, care for the earth, commitment to Christ, the communion of heaven and earth, and welcome and hospitality.

Pilgrim: The Lord's Prayer Steven Croft 2013-10-01 Pilgrim is a major new teaching and discipleship resource from the Church of England. It will help enquirers and new Christians explore what it means to travel through life with Jesus Christ. A Christian course for the twenty-first century, Pilgrim offers an approach of participation, not persuasion. Enquirers are encouraged to practice the ancient disciplines of biblical reflection and prayer, exploring key texts that have helped

people since the earliest days of the Christian faith. Believing that the Christian faith is primarily about relationship, Pilgrim aims to lay a foundation for a lifetime of learning more about God's love revealed in Jesus Christ and what it means to be his disciple. Assuming little or no knowledge of the Christian faith, Pilgrim can be used at any point on the journey of discipleship and by every tradition in the Church of England. Pilgrim is made up of two parts: Follow and Grow. Each consists of four short courses and a leaders' guide. Follow introduces the Christian faith for complete beginners, while Grow aims to develop a deeper level of discipleship in those who have turned to Christ. Each short course contains six-sessions, supported by online audio-visual resources. All sessions combine a simple framework prayer, reflection on the Bible in the lectio divina style, an article by a modern writer, and time for questions and reflection. This second book in the Follow Stage explores one of the greatest Christian treasures, the Lord's Prayer.

I Am Listening Betty Lynn Schwab 2012-01-01 Voices from a surprising range of ages and backgrounds (Canadian Forces chaplains, youth, ministers, UCW members) are united in a common theme in I Am Listening—this year's Lenten devotional. Writing to God Rachel G Hackenberg 2011-02-01 "Hackenberg's words have a heartbeat---sometimes they are beautiful and otherworldly; other time they are simple and earthy. When I read her prayers, I'm sure I have just prayed. But she wants me to take up my pen and pray. With a prayer, a Scripture passage, and a task, she gives me a personal invitation and permission to enter the incarnational practice of writing my words to God." - Sybil MacBeth, author of Praying in Color: Drawing a New Path to God "For some, speaking to God comes naturally---for others, speaking to God feels awkward, especially when we can't find the words or begin to stumble in mid-sentence. Hackenberg offers an alternative way. Writing to God is an expression of deep humility---it seems to say, "If I can write to God, so can you." - Donald capps, Professor of Pastoral Theology (Emeritus), Princeton Theological Seminary "Inspiration can come at any time or place, awakening the artist, writer, and creator in all of us just by picking up a pen and letting the words flow. Living with this book will make each day a holy adventure." - Bruce Epperly, author of Holy Adventure: 41 Days of Audacious Living

Designed for use during any 40-day period, Writing to God relieves you of the self-consciousness of trying to pray "the right way." Ideal for Lent, this innovative new addition to the "Active Prayer Series" includes a special section of prayers and prompts for Holy Week and Easter, for anyone using the book during Lent to deepen a life with God.

Embracing the Sacred Seasons of Lent and Easter Janis Yaekel 2005 No one goes to the desert for forty days without expecting to find someone or something there. Christians, by their very nature, are seekers. We look for direction, we look for fulfillment, and we look for others who want to walk the road with us. We knock on the doors of the Desert Fathers and Mothers, seeking shelter and wisdom. Embracing the Sacred Season is a guide in this search, at the center of which we hope to find God. What happens when the door is opened, and we know that we are in the presence of God? These unique reflections for the entire seasons of both Lent and Easter, based on Scripture readings, are direct, and help us take an honest look at our relationship with God. Each is followed up by reflection questions and a prayer. Let Janis Yaekel take you on a spiritual dance with God, as you embrace the sacred season.

Reconciled to God - Daily Lenten Devotions

In Remembrance of Me Sheri Sutton 2015-12-12 In Remembrance of Me is a book of meditations for the season of Lent. Each day includes a Scripture reading, a reflection on the main idea, and ends with a prayer. Sheri A. Sutton's thoughtful use of Scripture and down-to-earth approach uses everyday experiences to bring the reader into a conversation about the life, death, and resurrection of Jesus Christ. Sutton writes "When we open our minds and hearts to the presence of God, the spirit of the Son is made known within us. When we allow him to transform us, we become testaments to God's resurrecting power as revealed in our daily lives. And when we proclaim our faith in the risen Christ, we become followers of someone remarkable-a Savior for all mankind."

FIX YOUR EYES ON JESUS David Rosenkoetter 2013-11-12 Is Lent about my devotion to Christ the crucified? Is Easter about my celebrating Christ risen from the dead? Do I measure my Christian life by some standard of piety and say I'm following Christ's example? Lent...Easter...the whole Church year proclaims Jesus Christ, our Lord and savior. Faith is

trust in His blood-won forgiveness of the world's sin. Through faith we fix our eyes on Jesus in our daily devotions, gathering in worship, and constancy in prayer. FIX YOUR EYES ON JESUS walks you, the reader, through daily devotions from Ash Wednesday through Pentecost. See your need for repentance. Follow Jesus as He defeats Satan in the wilderness. Rejoice in the cross He leads you to bear as His disciple. For He has died once for you on the cross and shed His blood for you. He rose to daily proclaim you forgiven, washed, made alive in His Name. The crucifix shines Christ Jesus' ongoing love for us. Yes, Jesus is risen, never to die again. Now, He who once bled and died sympathizes with us who daily walk through death's dark shadow. I pray these devotions will encourage your Lent and Easter seasons. Heb. 12:1-2 "Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God."

Parables, Prayers, & Promises Martha Martin 2016-11-15 PREFACE: A few years ago somebody asked me how I could be so sure of my love for Jesus, a historical figure whom I can never meet. I had a really hard time answering this question in a way that did not sound fanciful and cliché. My love grew and deepened out of a relationship, and that relationship started with curiosity: who was this Jesus of Nazareth, what was his story, and why are people still talking about him some 2,000 years later? In response to that person's question I wrote this: I met Jesus today . . . They are tall, strong, and proud, with deep cocoa skin, calluses on their fingers, blisters on their feet, and Skittles in their pocket. They are recognizable by the resiliency in their eyes, the compassion in their smile, and their ability to forgive those who trespass against them. They will be exalted with placards, hashtags, and protests, after they are killed by systems of oppression. I met Jesus today . . . It's a little cryptic, perhaps. I was trying to say that, once I knew and loved Jesus, I started to recognize him and his passion in the brokenness and suffering around me. My love for him transferred to those I saw him in, and my life has never been the same. Each Lent we are invited to spend some time getting to know Jesus: who he was, what he did, what he taught, how he prayed, and how his ministry continues through followers of his Way. It is hoped that this book of devotions (and its corresponding study guide) based on the parables, prayers, and promises of Jesus will help deepen (or begin) your relationship with Jesus of Nazareth. Where might you meet Jesus this Lent? Alydia Smith, Worship, Music, and Spirituality

The Miracles of Jesus Wessel Bentley 2012-10-01 What do the miracles of Jesus have to do with our lives today?

Wessel Bentley describes Jesus' miracles as complex events. Not only did they transform people's lives through healing,

multiplication, or resurrection, but they also challenged attitudes and beliefs. This is what makes Jesus' miracles timeless: they can still touch our lives today just as they did the lives of people 2,000 years ago. Each daily reading in this Lenten book begins with a scripture reading, followed by the author's reflections on that passage. Rather than being a scholarly verse-by-verse dissection of the text, Bentley's meditations invite you to listen to what God may be saying to you through the Bible passage. The daily meditations include thoughtful reflection questions, a prayer, and a prayer focus that lifts up persons or situations needing the touch of Jesus. To make each day's reading further relevant to your life, Bentley challenges you to remember at least one aspect of the meditation as you go through your day. This unique Lenten study helps you identify with the characters in the Bible stories. You will see yourself and others as persons who need grace and have the potential to be transformed by Jesus' love. An excellent study for Lent, but this book can also be used anytime by individuals or groups wanting a deeper understanding of Jesus' miracles.

Eastertide Phyllis Tickle 2010-03-10 In her acclaimed trilogy, *The Divine Hours*, Phyllis Tickle introduced modern Christians to the time-honored practice of "praying the hours." In this exquisite new volume, she provides a vibrant program of prayer dedicated to the anticipation of Christ's resurrection. Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday, *Eastertide* provides the daily prayers that bring practitioners into the full spirit of this season. Each day is filled with psalms, readings from the Bible, and hymns of praise and worship, just as they appear in the larger volume, *The Divine Hours: Prayers for Springtime*. Newcomers to this beloved tradition will find that *Eastertide* is the perfect introduction to joining the ancients in the tradition of fixed-hour prayer. "A wise rabbi once told me that it is not how many prayers we don't say that matters to God, but rather how many we do. That is important to all of us, but especially for beginners. If this is your first attempt to return to this most ancient of Christian practices, it is wise to remember that you are entering into a discipline and, like all disciplines, this one sits hard and heavy upon one at times. There are hours you will miss and/or some that you can't even begin to figure out how to observe. That is all right, for either the joy will carry you into greater joy and transmute the discipline into privilege, or you will find yourself simply the wiser and the richer for such experience as you have had. As the rabbi said, that is what matters ultimately."

A Journey to the Cross David L. Packer 2016-02-04 For serious followers of Jesus Christ, Lent is an opportunity to confront our own selfish tendencies and to humble ourselves before God. Since the seventh century, Christians have discovered real spiritual benefit as they have observed a season of spiritual emphasis before Easter a forty-day fast over six weeks from Ash Wednesday to Easter. This book is a devotional guide based on the Sermon on the Mount to help believers examine themselves and to deepen in their love and commitment for Christ. Despite persecution in many places on the globe, Christians today have a greater share of this world's wealth than previous generations. Wise believers have always been more concerned about the pollution of the church by the world from within than the threats against the church from without. Materialism, pride, and self-centeredness are issues that every generation of Christ-followers must address this is where the real spiritual battle takes place. This devotional guide is personal and introspective, guiding the believer to examine himself against the biblical standard and to refocus his life on Christ. It is a celebration of the Savior's constant love and mercy that forgives our sins, cleanses us within, lifts us up, and draws us to His face and His heart.

Lenten Dailies Pamela Tapper 2011-10-03 This book is a book of daily devotions that can be read every day from Ash Wednesday until Easter Sunday. In Mathew 22: 36 - 40 Jesus said, Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself. All the law and the prophets hang on these two commandments. The verses in this book continue to support this scripture over and over again. Some of the verses were taken from the New International Version for clarity. Others were taken from the King James Version for its beauty and poetry. In most cases each verse is a only one page in length so that it can be easily read each day. This book is basically a book of faith in God and love for our fellow man. I hope the reader will be inspired to love God and love his neighbor.

A Manual of Daily Prayers for persons who are much hindered by the duties of their calling ... Fifth thousand, with additions 1859

A Cry for Mercy Henri J. M. Nouwen 2013-11-20 A reissue of one of Henri Nouwen's most powerful and most personal books: prayers that "reveal a fearful heart, a cry for mercy, rays of hope, the power of the Spirit, the needs of the world, and finally gratitude." In his continuing search for a deeper understanding of the spiritual life, Henri Nouwen traveled twice to the Trappist monastery in the Genesee Valley of upstate New York. His first visit inspired The Genesee Diary, a moving account of his daily experiences and of contemporary monastic life. When he returned five years later, the familiar, comfortable daily rhythms of the contemplative life led him to concentrate his attention on meditation. He disciplined himself to write a prayer each day, an endeavor that became this extraordinary book. In these daily prayers, Father Nouwen confronts his own inner chaos as he tries to create a space in his heart where God can dwell. Powerful, searching, and painfully honest, Nouwen's prayers, confessions, and petitions point to the final goal of all spiritual life: to live unceasingly in the presence of God. Like The Wounded Healer and The Return of the Prodigal Son, A Cry for Mercy is filled with freshness and insight. It speaks directly to the contemporary Christian's need for a meaningful spirituality, a disciplined inner life, and a real sense of the divine presence in everyday life.

Diving Deeply Betty Lynn Schwab 2013-01-10 Diving Deeply is a Lenten reflections resource for 2013. The daily devotions, for both individual and small group study, are written by spiritual directors and chaplains and are drawn from their work on university campuses, at airports, correctional facilities, and hospitals, and from their visitations with people in their own homes. Each devotion dives down with the person whose story is central to the reflection to seek the depth of their loss, fear, or despair. Each time, the writer helps the person to find a source of spiritual help and hope deep within their own being, a source that helps them rise to the surface and celebrate the joy that Easter promises. Includes a study guide for small groups.

Journey to the Cross Will Walker 2017-01-16 As Christians, we know that Easter is perhaps the most important day of the year. But when we wake up on Easter Sunday, we often struggle to grasp the significance of the day and find ourselves on the outside of the celebration looking in. Journey to the Cross moves us closer to the heart of Easter through forty

days of Bible readings, prayers of confession and thanksgiving, and daily devotional readings. This forty-day devotional takes a deeper look into six central themes of the Christian life: repentance, humility, suffering, lament, sacrifice, and death. Journey to the Cross moves beyond "doing penance" and helps Christians focus on Christ's sacrifice for us—the real meaning of Easter and the reason we celebrate. Journey to the Cross serves as a combined liturgical guide and devotional—presenting a call to worship, confessional, gospel reading, and daily devotional with application. This compact devotional guide meets the needs of Christians who want to prepare their hearts for Easter but don't know how, and it answers the growing desire of many to be connected to the broader history of the church. At its heart, Lent is all about Jesus—his suffering and sacrifice, all powered by his love for his people. Taking the time to meditate on the cross will give readers the opportunity to re-center their hearts, reframe their lives, and rekindle their love for Christ this Easter.
