The Sleeping Beauty David McAllister 2018-05 The story of The Sleeping Beauty spills over with fairies and princes, passion and despair, magnificence and splendour, and the ballet version of this classic tale is the most romantic and spectacular of all. Australian Ballet Creative Director David McAllister's impressive 2015 production of The Sleeping Beauty, ornamented by internationally celebrated designer Gabriela Tylesova's lavish costumes and sets, cast a spell of delight on its audiences, and was a sellout success. Now David McAllister and Gabriela Tylesova weave their magic again, transporting the enchantment of their 2015 production of The Sleeping Beauty to the pages of this book. David's text and Gabriela's illustrations recreate the world of this favourite ballet for readers to enjoy again and again. Based on the spectacular Australian Ballet production of The Sleeping Beauty.

The Sleeping Beauty 1976 Devised and directed by Robert Helpmann and featuring the Elizabethan Melbourne Orchestra.

Sleeping Beauty, a Legend in Progress Tim Scholl 2008-10-01 In 1999 the Maryinsky (formerly Kirov) Ballet and Theater in St. Petersburg re-created its 1890 production of Sleeping Beauty. The revival showed the classic work in its original sets and costumes and restored pantomime and choreography that had been eliminated over the past century.

Nevertheless, the work proved unexpectedly controversial, with many Russian dance professionals and historians denouncing it. In order to understand how a historically informed performance could be ridiculed by those responsible for writing the history of Russian and Soviet ballet, Tim Scholl discusses the tradition, ideology, and popular legend that have shaped the development of Sleeping Beauty. In the process he provides a history of Russian and Soviet ballet during the twentieth century. A fascinating slice of cultural history, the book will appeal not only to dance historians but also to those interested in the arts and cultural policies of the Soviet and post-Soviet periods.

Sleeping Beauty Charles Perrault 2015-08 "A beautiful princess, a wicked witch, enchantment and a handsome prince, this tale has all the elements of a good fairytale."--

Sleeping Beauty (Original Text with Classic Illustrations) Charles Perrault 2014-05-20 Veiled in a thick and thorny wood, an enchanted princess lies sleeping for a century, awaiting a prince, whose time has come to break the spell. The original tale of The Sleeping Beauty in the Wood was written by Charles Perrault, inventor of the modern fairy tale and creator of such timeless characters as Little Red Riding Hood and Puss in Boots. It is among the most beautiful and enduring of all stories, and has inspired hundreds of adaptations, including Disney's Sleeping Beauty and Maleficent. This edition combines Søren Filipski's lively modern translation with two famous sets of vintage illustrations: E. Monnin's lavish engravings from the great 1843 Curmer edition and those of the French master Gustave Doré, from Tales from Mother Goose. Both sets provide a rich, dramatic visual compliment to this haunting tale of love and the passage of time. Also included in the translation is the continuing story of the Princess's life in the years after she awakes, omitted from nearly all modern editions.

The Sleeping Beauty- in French Charles Perrault 2015-06-11 Classic popular fairy tale with real god and bad fairies. In French and English. The Sleeping Beauty-classique conte de fées populaire auprès vrai dieu et les mauvaises fées. En français et en anglais.
