The Book of Skulls Robert Silverberg 2018-05-08 How far will four friends go for immortality? This novel is Hugo and Nebula Award–winning author “Robert Silverberg at his very best” (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there’s Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they’ll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as “one of my favorite nightmare novels.” This ebook features an illustrated biography of Robert Silverberg including rare images from the author’s personal collection.

Her Soul to Take Harley Laroux 2021-10 Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Note This book contains sexual scenes, kink/fetish content, horror elements,

Elemental Summoner 1 D Levesque 2021-04-09 Alex was living the life. His life. He

worked as a convenience store clerk to pay for his games and books. At 26 years old, he was living the high life of a loner. But a bullet hole in the head ended all that. There was only one problem: he wasn't supposed to die that day. Everyone has a time and a day that they are meant to die. That was not supposed to be Alex's day. So God gave him a choice. Option 1: Soul for soul. He could take the life of the person who was meant to die that day, become that person, and completely forget who "Alex" was. Or option 2: Keep being Alex, and transition to a world where magic was real, a world where God would give him the tools to survive. Alex, who loved fantasy stuff like a crack addict, picked Option 2. So God threw him through a black portal. Once on the other side, and on another world, little did Alex know that those tools would be the ability to use all five Elemental magics. Earth, Fire, Water, Air and Mind. The kicker? The English language seems to trigger them. Now, Alex is in for a world of adventure as he jokingly called himself "The Elemental Summoner," but he didn't know that title was feared by everyone in the world of Boromour.
